

# CENTER FOR REPRODUCIBLE BIOMEDICAL MODELING

Systemize • Scale • Collaborate • Reuse • Reproduce

## TECHNOLOGY DEVELOPMENT

- Data discovery & integration
- Scalable model building
- Reproducible simulation
- Reproducible visualization
- Mining simulation results
- Model provenance

## AUTHOR & JOURNAL SERVICES

- Technical guidance
- Technology customization
- Model annotation
- Pre-publication model review
- Simulation results repository
- Online simulation & visualization

## EDUCATION & OUTREACH

- Scalable modeling
- Reuse & reproducibility
- Ontologies & standards
